## INTRODUCTION

I am a dedicated and passionate programmer with a Master of Computer Applications (MCA) degree from Dr. P.A. Inamdar University at Allana Institute of Management, Pune, India. I have hands-on experience in C, C++, Java, Python, HTML, CSS, JavaScript, and Microsoft Office (Word, PowerPoint, Excel). I have a positive attitude, quick learning skills, and a desire to learn new applications and technologies. I am seeking an opportunity in a growth-oriented organization where I can apply and expand my skills while contributing to the success of the team.
